

# Session 10:

## Four Keys to Healthy Eating Out.

---

### 1. Plan ahead.

- Call ahead to ask about low-fat choices.
- Pick where you eat out carefully. Go somewhere that offers low-fat choices.
- Eat less fat and fewer calories during other meals that day.
- Eat a little something before you go out. Or drink a large, low-calorie beverage.
- Plan what to order without looking at the menu.
- Don't drink alcohol before eating.
- For parties or dinner parties: Bring something from home to share with others.

### 2. Ask for what you want. Be firm and friendly.

#### Ask for the foods you want:

- Ask for lower-fat foods.
- Can foods be cooked in a different way?
- Don't be afraid to ask for foods that aren't on the menu.

#### Ask for the amounts you want:

- Ask how much is usually served.
- Order salad dressing, gravy, sauces, or spreads "on the side."
- Ask for less cheese or no cheese.
- Split a main dish or dessert with someone.
- Order a small size (appetizer, senior citizen's, children's size).
- Before or after the meal, have the amount you don't want to eat put in a container to take home.

## *How to ask for what you want.*

- Begin with "I", not "You."
- Use a firm and friendly tone of voice that can be heard.
- Look the person in the eye.
- Repeat your needs until you are heard. Keep your voice calm.

*Wishy-washy*

"Oh, well. I guess they couldn't broil the fish."

*Threatening*

"You said you would broil my fish!"

*Firm and friendly*

"This looks very nice. But I asked for my fish to be broiled, not fried. Would you have some broiled for me, please?"

### 3. Take charge of what's around you.

- Be the first to order.
- Keep foods off the table that you don't want to eat.
- Ask that your plate be removed as soon as you finish.

### 4. Choose foods carefully.

Watch out for these high-fat words on menus.

- |  |                  |
|--|------------------|
| • Au gratin  | • Hollandaise    |
| • Breaded  | • Parmesan       |
| • Buttered or buttery                                      | • Pastry         |
| • Cheese sauce   | • Rich           |
| • Creamed, creamy, in cream sauce                          | • Sauteed        |
| • Fried, deep fried, french fried, batter fried, pan fried | • Escalloped     |
| • Gravy  | • Scalloped      |
|  | • Seasoned       |
|  | • Southern style |

Look for these low-fat words, instead.

- |           |              |
|-----------|--------------|
| • Baked   | • Poached    |
| • Broiled | • Roasted    |
| • Boiled  | • Steamed    |
| • Grilled | • Stir-fried |

Watch out for sauces.

Think about what you really *need* to eat.

Trim visible fat off meat.

Take skin off chicken.

# What's on the menu?

You can make lower-fat choices, no matter what kind of restaurant you go to. Be sure to ask the waiter how the food is prepared.

Note: Most restaurants serve a tossed salad--a low-fat choice if topped with lemon juice, vinegar, or a low-fat dressing.
