This year is our 20th Annual Health Expo at Washington Park! Since 2005, we've welcomed thousands of our neighbors to create a culture of health for themselves, their families and our entire community. At Closing the Health Gap, our team works every day to eliminate racial health disparities by engaging, empowering and advocating for people across Cincinnati.

Join us for free health screenings, fitness programs, cooking demonstrations, family entertainment, food and more! Special thanks to the sponsors, exhibitors, performers and partners who continue to make the Health Expo such a powerful way for all of us to take control of our own health and move the needle on disparities.

Sincerely,

Renee Mahaffey Harris
